## Parental Involvement

We believe that parents / guardians are responsible for the spiritual development of their children. We desire to support this responsibility by providing resources and opportunities to expand on what is taught during the time your child is with us. This includes parental tips within the handbooks, helping your child with scripture memory, and parental studies that track with the child's club handbook.

We also encourage parents / guardians to participate in the Awana ministry of MBC by visiting club on any night, and especially on specially designated parent nights.

## Missions

The MBC Awana ministry desires to teach children the importance of helping others experience the love of Christ through outreach and service. This includes learning about missionaries and participating in activities such as:

- Awana Missionary Coin Drive
- Bring a Friend night
- Awana GO - Kids reaching kids

## Support

Awana is a participant-supported ministry partially underwritten by MBC. All of the adults in the ministry are volunteers. Club dues of 50 cents per Sunday (\$15 for the year) help provide the funds we need for awards, prizes and incentives for the children. Dues do not cover the cost of uniforms, handbooks or special events (such as T&T Grand Prix kits).

We will not let money prohibit any child from participating in our Awana program. Need-based scholarships are available.

## Who We Are, What We Do

- The Awana mission is to reach children everywhere with the gospel of Jesus Christ and engage them in lifelong discipleship. Our prayer is that all children and youth throughout the world will come to know, love, and serve Him.
- The name Awana originates from the first letters of the phrase "approved workmen are not ashamed" in 2 Timothy 2:15.
- Madison Bible Church uses the curriculum from Awana Clubs International, which supplies programs, materials and training for more than 47,000 churches around the world.
- Awana uses a Bible-centered curriculum that helps build a firm foundation for faith and the application of Biblical truths to daily life.
